Re: Special Meeting – Resolution Nos. 30, 31, 32, 33 and 34

Because the above-mentioned resolutions and their attachments had previously been distributed with the materials for the June 8th County Board meeting, we have not included them again with the Special County Board meeting agenda. If any Supervisor would like us to send them another copy of the resolutions, please let us know, as we would be happy to do so.

It is anticipated that we will distribute the finalized fiscal notes for each of the resolutions at the meeting.
