Walworth County Board Supervisors

Re: Handicapped Parking – East Troy

Dear Supervisors:

I was recently approached by a constituent regarding the lack of handicapped parking stalls on the square in the Village of East Troy.

Given that both village roads and a county highway are involved, I would like the Public Works Committee to look at this issue and provide whatever assistance we can. At the very least, I would request that staff report back on the number of handicapped parking stalls that are available on the Village square.

I would ask that this letter be referred to the Public Works Committee.

Very truly yours,

Dear Chairwoman Russell,

I have received the resolution from the members of Walworth County Board of Supervisors regarding the proposed U.S. Highway 12 environmental impact study. I appreciate hearing from the Board on this important issue.

While the proposed project is outside of the 83<sup>rd</sup> Assembly District, I understand the economic impact the project would have on Walworth County and I will certainly keep your concerns in mind as the DOT proceeds with this project.

Again, thank you for contacting me regarding this issue. If you should need additional information or assistance with this or any other matter relating to state government, please feel free to contact me at 888-534-0083 or email me at [Rep.Craig@legis.wi.gov](mailto:Rep.Craig@legis.wi.gov).

Sincerely,

Representative David Craig  
83<sup>rd</sup> District  
Wisconsin State Assembly
