3 **WHEREAS**, it is the right of disabled individuals to be served in the least restrictive setting;  
4 and,  
5

6 **WHEREAS**, whenever possible it is desirable that disabled citizens be employed in the  
7 communities in which they live; and,  
8

9 **WHEREAS**, many progressive employers offer opportunities for individuals with disabilities to  
10 work at their businesses; and,  
11

12 **WHEREAS**, it is not always possible for every disabled person to find employment in the  
13 community or to be successful in such employment; and,  
14

15 **WHEREAS**, VIP Services in Walworth County, and other pre-vocational organizations offer  
16 center-based employment as well as important programs and services that improve the quality of  
17 life for people with disabilities and their families; and,  
18

19 **WHEREAS**, these agencies depend upon Medicaid funds to offset the cost of providing these  
20 services; and,

Re: Short Term Rentals Date: 10/2/14

2014 OCT -3 AM 9:12

Dear County Board Members,

I write to you on the suggestion of Nancy Russell, who I had contact with recently on the issue of short term rentals.

During the monthly meeting of the Lake Como Lake Committee this past Tuesday the subject of short term renting once again came up and we were made aware of the current situation at County level with Cass Kordecki challenging the existing ordinance by way of her attorney evidently finding a flaw in its wording, thereby offering her the chance to squeak through the corresponding loophole.

While the Lake Como Lake Committee members chose not to take an official stand on the matter, the handful of people gathered for the meeting all voiced negative opinions on the issue.

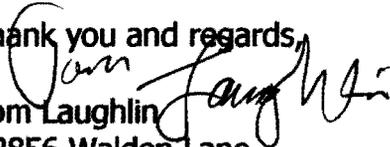

Short term renting can have an extremely negative impact on neighborhoods and I can offer personal stories from the past five years after a Chicago person bought a house on our road on the south side of Lake Como and has been short term renting it ever since, with many bad things spinning out of it.

Nancy assured me that her stance is one of anti-short term renting and I am contacting the Board to say I hope all of you other members hold a similar position against it. The only one who benefits is the landlord, while in the meantime the neighbors have to endure all types of intrusions into their single family areas by strangers coming to stay and party for the weekend.

I would ask the Board to maintain the current 30-day limit and to also realize that this issue is growing as more and more people see the money they can make by renting out their homes for short stays. Also, if it's true, we heard that Kordecki might be grand-fathered as this process plays out, which doesn't seem quite right, but I don't have all the details.

Please, protect us taxpaying citizens who own homes in single family areas from the intrusions that come along with short term renting. The problem is growing and we would love to see our County Board become more proactive against it.

Thank you and regards,

Dear Walworth County Board Members, and any other officials involved with leading our county.

It seems the vocal minority of people who believe they can rent a home in Walworth county, short term, for profit will simply not stop. Please, once and for all, write the ordinance so a lawyer cannot find any loop holes so we all may move on. Send a message to these people that we do not want the homes next door to us to rented out on weekends to different groups or other individuals. There are numerous hotels/ motels in the county that rely on customers to rent their rooms so they can make payroll for all their employees.

The silent majority of taxpayers are expecting you all to put an end to this and we want it stopped now. These people bought properties they really could not afford and it's not the problem of all of us to help these people make their monthly, especially when we have different people staying at the same home every weekend.

Do Not let the vocal minority have it's way!! By far the vast majority of voters in this county do not want the homes next door to them to be rented out on a short term basis. And give the Sheriff the authority to ticket these people.

If you have any questions for me, please, do,not hesitate to call me. Both my numbers are listed below. Thank you for serving the people. I do appreciate it.

Approximately 79,498 of the estimated population for Walworth County are of voting age. The County's voting age population is the summation of the voting age population for all communities within the county. This approximation is a courtesy estimate which helps you comply with Wisconsin Statute 5.66, which requires municipal clerks to approximate the number of electors prior to elections. The voting age population was calculated by applying the census proportion of persons over 18 to the preliminary January 1 estimate, and then multiplying the result by a state-wide factor to account for the general aging of the population.

DNR File No. SE-0145

Mr. David L. Stroik, Chairman  
Southeastern Wisconsin Regional Planning Commission  
W239 N1812 Rockwood Drive  
P.O. Box 1607  
Waukesha, WI 53187-1607

SUBJECT: Amendment to the Regional Water Quality Management Plan -  
City of Burlington, Walworth County

Dear Mr. Stroik:

We have completed our review of the subject amendment request received by the Department on September 24, 2014. The Department hereby approves the sewer service area amendment request which adds 82 acres, located at 1062 Spring Valley Road in the City of Burlington, Walworth County, to the City of Burlington and Environs Sanitary Sewer Area (see Map 1).

The proposed area includes one acre of land currently in residential use, ten acres of land located within road rights-of-way, and a 28-acre isolated natural resource area consisting entirely of wetlands, plus an additional isolated wetland less than one-quarter acre in size. The remainder of the land is in agricultural use and it is envisioned that this would be developed as the future site of an Aurora Health Care medical complex. There is no significant adverse water quality impact attributable to developing this area, and the City of Burlington wastewater treatment plant has adequate capacity to treat the wastewater flows from the proposed development.

The proposed amendment was requested by the City of Burlington on August 1, 2014. Following the public hearing on September 2, 2014, the amendment was approved by the Burlington Common Council. The amendment was adopted by SEWRPC per Resolution Number 2014-21 on September 10, 2014.

This plan amendment becomes part of SEWRPC Community Assistance Planning Report No.78 (2<sup>nd</sup> Edition), *Sanitary Sewer Service Area for the City of Burlington and Environs, Racine County, Wisconsin*, December 2001, as amended, which is a part the SEWRPC Planning Report No. 30 *A Regional Water Quality Management Plan for Southeastern Wisconsin 2000*, and will be forwarded to the US Environmental Protection Agency to meet the requirements of the Clean Water Act of 1987 (Public Law 92-500 as amended by Public Law 95-217) and outlined in the federal regulations 40 CFR, part 35.

This review is an equivalent analysis action under s. NR 150.20 (2) (a) 3, Wis. Adm. Code. By means of this review, the Department has complied with ch. NR 150, Wis. Adm. Code, and with s. 1.11, Stats.

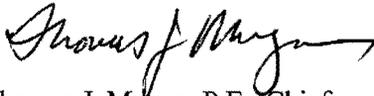

RECEIVED  
WALWORTH COUNTY CLERK  
2014 OCT 10 AM 9:25

The approval of this sewer service area amendment does not constitute approval of any other local, state, or federal permit that may be required for sewer construction or associated land development activities.

If you believe that you have a right to challenge this decision, you should know that the Wisconsin statutes and administrative rules establish time periods within which requests to review Department decisions must be filed. For judicial review of a decision pursuant to sections 227.52 and 227.53, Wis. Stats., you have 30 days after the decision is mailed, or otherwise served by the Department, to file your petition with the appropriate circuit court and serve the petition on the Department. Such a petition for judicial review must name the Department of Natural Resources as the respondent.

To request a contested case hearing pursuant to section 227.42, Wis. Stats., you have 30 days after the decision is mailed, or otherwise served by the Department, to serve a petition for hearing on the Secretary of the Department of Natural Resources. All requests for contested case hearings must be made in accordance with section NR 2.05(5), Wis. Adm. Code, and served on the Secretary in accordance with section NR 2.03, Wis. Adm. Code. The filing of a request for a contested case hearing does not extend the 30 day period for filing a petition for judicial review.

Sincerely,

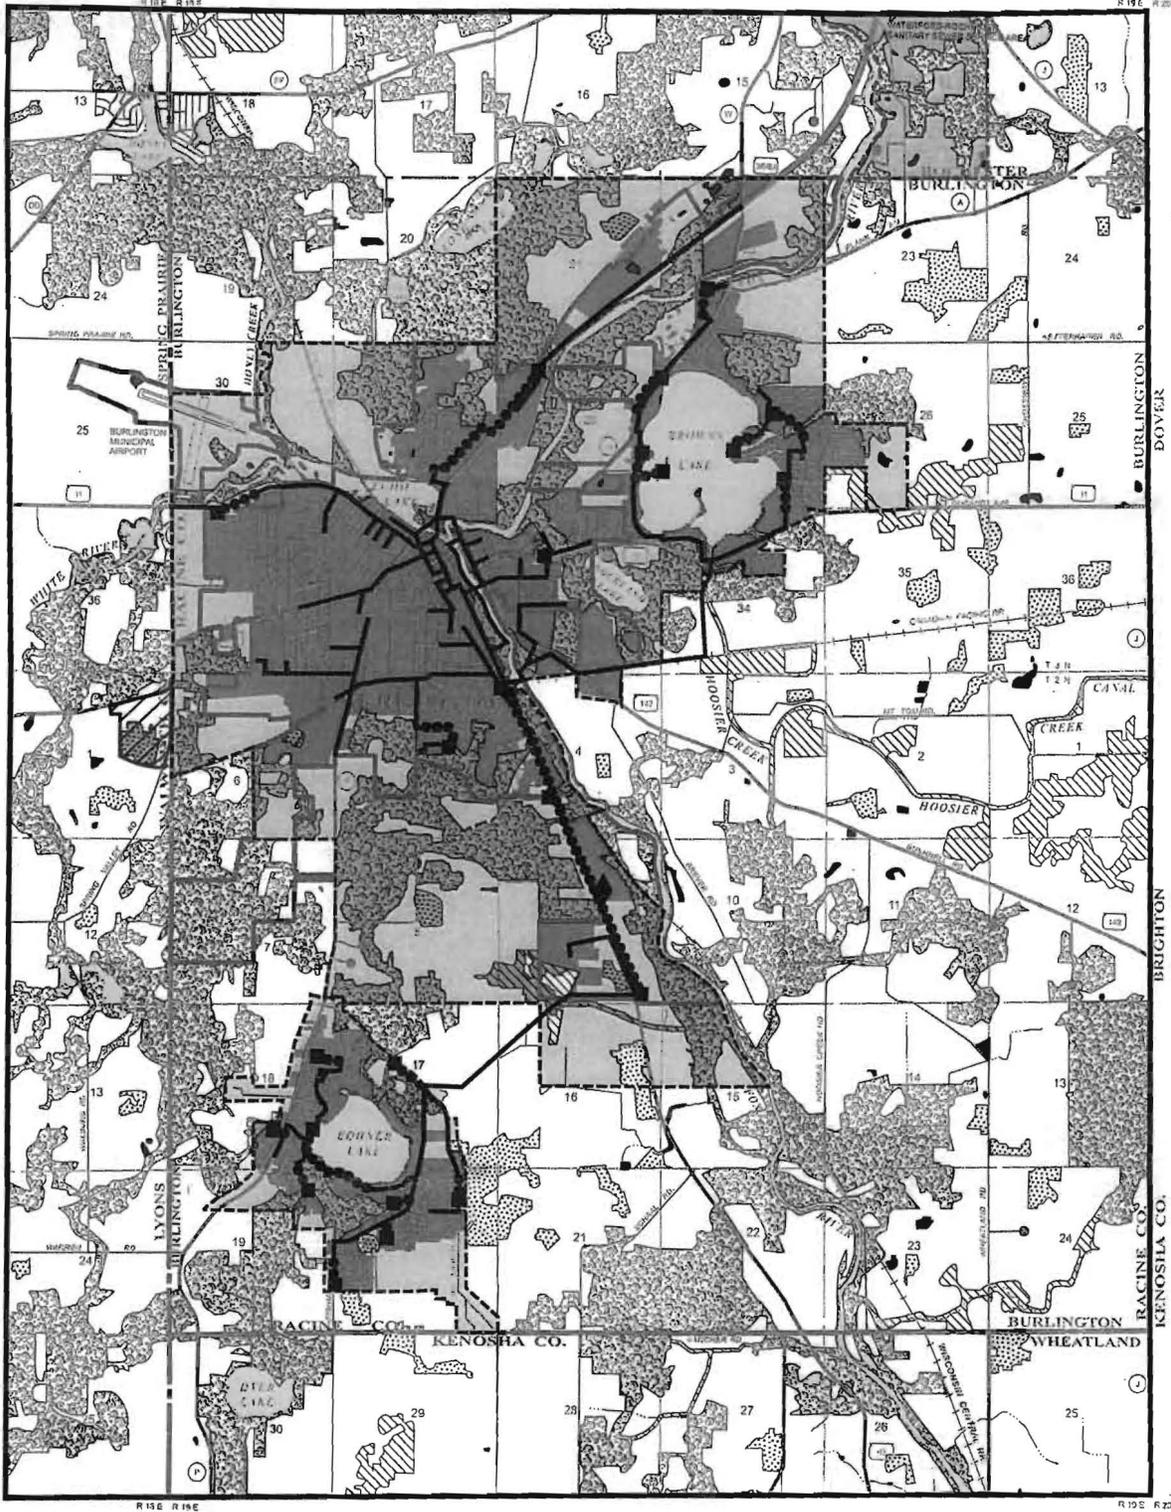

Thomas J. Muga, P.E., Chief
