Thank you,

Monica Walker, Volunteer Coordinator
Wisconsin Healthy Workplace Advocates

FYI: Workplace bullying is a systematic campaign of interpersonal destruction that jeopardizes health, careers, and the jobs we once loved. Bullying is a non-physical, non-homicidal form of violence. Because it is abusive it causes both emotional and stress-related physical harm.

Freedom from Bullies Week is a chance to break through the shame and silence surrounding bullying. It is a week to be daring and bold.

The power of workplace bullying is its ability to stay hidden in plain view. We need to make every workplace safe and take a stand against workplace bullying! No matter the role, anyone can help stop workplace bullying. We strive to provide everyone with the safe, healthy, and dignified workplace they deserve.
