Once a parcel is selected, the map will zoom to that parcel. A window opens with links to a variety of information about the parcel.

The screenshot displays the Walworth County, WI Web Mapping Application interface. The browser address bar shows the URL: <http://gisinfo.co.walworth.wi.us/map3x/index.html?config=config/walco.xml>. The application title is "Walworth County, WI Web Mapping Application". The current action is "Pan".

The map shows a satellite view of the Elkhorn area, with various townships labeled: Whitewater, LAGRANGE, TROY, EAST TROY, RICHMOND, SUGAR CREEK, LAFAYETTE, SPRING PRAIRIE, DARLEM, DELAVAN, DELAVAN, GENEVA, LYONS, Lake Geneva, Williams Bay, Fontana, Walworth, LINN, SHARON, WALWORTH, and BLOOMFIELD. The map is surrounded by Jefferson County, Waukesha County, Mukwonago, Racine County, Rock County, and McHenry County.

A "Property Search" window is open in the bottom right corner, with a red arrow pointing to the "Search Layer" dropdown menu. The dropdown menu is open, showing the following options: Address Points, Tax Parcels, Address Points, Street Search, Bridge Search, and Platted Lands. Below the dropdown menu, there is a search input field and a search button. The text below the search field reads: "This Property Search Window allows you to search by Tax Parcel, Address, or PLSS."

The Windows taskbar at the bottom shows the system tray with the time 2:48 PM and date 3/11/2016.

You can conduct a search using an address if you do not know the owner. This might be helpful if the parcel is owned by an unknown LLC or trust.

The screenshot displays a web browser window with the URL <http://gisinfo.co.walworth.wi.us/map3x/index.html?config=walco.xml>. The application is titled "Walworth County, WI Web Mapping Application". The map shows a satellite-style view of the county with various townships labeled: Whitewater, Elkhorn, Delavan, Lake Geneva, and others. A "Property Search" window is overlaid on the right side of the map. A red arrow points to the search input field, which contains the number "1234". The window also features a "Search Layer" dropdown set to "Address Points", "Search" and "Clear" buttons, and a text block that reads: "This Property Search Window allows you to search by Tax Parcel, Address, Platted Lands, Owner Name, or PLSS." The browser's taskbar at the bottom shows the Windows Start button and several application icons, with the system clock indicating 2:50 PM on 3/11/2016.

Enter known numbers in the address. The less specific you are, the more records that will appear.
