Re: Intergovernmental Cooperation Council meeting

The Walworth County Land Information division will be making a presentation at the upcoming Council meeting on June 28, 2011. The following information will be presented and discussed:

Demonstration of the GIS (Geographic Information Systems) web mapping system

Overview of the project to host Elkhorn GIS layers on the County GIS website

Discuss web hosting services offered by the County

We're excited about the opportunity to present this information to the Council and look forward to answering any questions you may have about the website, as well as providing information about our web hosting services.
