1922 County Road NN • Elkhorn, WI 53121
262-741-3600 • www.co.walworth.wi.us

*Dedicated to promoting resident
directed care in Walworth County.*

Lakeland Health Care Center is a skilled care nursing facility with 120 private rooms with private baths dedicated to promoting resident directed care. We recognize each person's physical, mental, emotional, social and spiritual needs by respecting an individual's rights and personal choices. Lakeland Health Care Center is licensed to provide care under Medicare and Medicaid.

Lakeland Health Care Center's Memory Care households feature private rooms and baths with a secure outdoor courtyard for Alzheimer and Dementia residents.

Other services offered to all of our households include:

- Laundry Services
- Dental Services
- Religious Services
- Podiatry Services
- Hospice
- Beauty Shop
- Optometry Services
- Personal Banking
- Volunteer Services
- Audiology Services

Lakeland Health Care Center provides a complete range of long term and short term rehabilitation services including Physical Therapy, Occupational Therapy and Speech Therapy as well as Discharge Planning.

An inter-disciplinary approach to care is used to attain and maintain each individual's highest level of independence. This care includes:

- Twenty-four hour nursing care
- Certified social service staff to assist residents and their families
- Numerous therapeutic recreational activities conducted under the guidance of certified recreation staff
- Full time dietician
- Twenty-four hour on-call physician services
