### For Immediate Release

*Elkhorn, Wisconsin – 8/3/2015*

### 2015 Walworth County CLEAN SWEEP Scheduled for October 2nd & 3<sup>rd</sup>

This year's **Clean Sweep** event will help household residents, businesses, schools and municipalities properly dispose of damaged, banned, unusable or unwanted products that contain volatile chemicals.

**Clean Sweep** services are provided free-of-charge to household residents who may drop off items without an appointment at the following times and places:

Friday, Oct 2nd—3:00 PM to 6:00 PM at the Town of Linn Municipal Garage, N611 Zenda Road, Zenda; and the City of Whitewater Public Works Complex, 150 East Starin Road, Whitewater.

Saturday, Oct 3rd—8:00 AM to 12:00 Noon at the Walworth County Public Works Department, W4097 County Road NN, Elkhorn.

**Clean Sweep** services are also available to any business or organization that generates small quantities of hazardous waste. These participants pay for product disposal but the cost is significantly less than contracting for this service individually. Those interested need to pre-register and provide a list of products they want to dispose of by September 25th.

**Clean Sweep** is funded in part by the Town of Darien Mallard Ridge Landfill Fund, and a grant from the Wisconsin Dept. of Agriculture, Trade & Consumer Protection. We would also like to acknowledge and thank the following local supporters for their donation of funding or personnel:

- \* Town of Linn Municipal & Street Department
- \* City of Whitewater Police & Public Works Departments
- \* Jefferson County Solid Waste Dept.
- \* John's Disposal
- \* Keizer & Sons
- \* Pat's Services Inc.
- \* Lake Geneva Jaycees

For more information about the Clean Sweep program, contact Stephanie Rodgers, Public Works by phone 262.741.7264 or email: srodgers@co.walworth.wi.us
