### For Immediate Release

### *Elkhorn, Wisconsin – May 5, 2016*

#### **Bridge Dedication at White River County Park to be Held Saturday, May 14 at 11:00 A.M.**

On May 14, 2016 at 11:00 A.M., the Walworth County Park Committee will dedicate two pedestrian bridges that were recently constructed at the White River County Park in the Town of Lyons. The bridges were made possible by donations from the Wagner, Essman and O’Neill Family Foundations through the Geneva Lake Conservancy.

The ceremony will include introductions and remarks from Walworth County Board Chair Nancy Russell, Geneva Lake Conservancy, and Friends of White River Park Group.

After the ceremony, everyone is invited to enjoy the scenic surroundings of this 195-acre park with 2 miles of frontage along the White River. Enjoy the walking and hiking trails, or take the opportunity to canoe, kayak, or bring a picnic lunch to relax and enjoy nature with your friends and family.

The White River County Park is located at 6503 Sheridan Springs Road, Lake Geneva, WI (Lyons Township).
