# Memorandum

**To:** Walworth County Children with Disabilities Education Board (WCCDEB)

**Cc:** Mark Lubberda, County Administrator

**From:** Tracy L. Moate, Director WCCDEB

**Date:** June 16, 2022

**Re:** WCCDEB June Agenda Items

---

Below are the agenda items to be discussed at the June WCCDEB meeting.

- In the Unfinished Business portion of the agenda, I would like to give you an update on the tuition request that has been received from the Trevor-Wilmot Consolidated School District. We have reviewed the student's IEP (Individual Education Program) and will be making a recommendation to you in this tuition process.

For New Business, the following items will be discussed:

- Senate Bill 353 (Seclusion and Restraint) requires that "annually by September 1, the administrator shall submit to the governing body, a report containing the number of incidents of seclusion and restraint and the number of students involved in seclusion and restraint during the previous school year." I would like to present those numbers to you and answer any questions you may have regarding this subject. This information is also shared with the appropriate residing school districts and their governing board.
- In light of the recent school shooting in Texas, I would like to share with you Lakeland School's current safety protocols and practices. In addition, I would like to initiate discussion regarding adding two additional "layers" of safety

that other local schools' have in place to safely manage visitors into the school building. I look forward to your input and discussion.

- Chairperson Holt has added the final item in the New Business section. My preamble to his presentation is this: "In the economy of generosity, the payment is not in the act itself, in being useful in someone else's need for support. Nothing else is needed; no applause, no kudos, or no praise from the crowd." It has truly been my honor and privilege to come to work daily for the past 37+ years. I love my job and the opportunities that were made available to me. Thank you all for the support that has been given!
  
- Finally, in the Reports and Correspondence section, there are a few items that our Lakeland School team would like to present.
  
- Have a great weekend!
