

# LAKELAND SCHOOL

## SPECIAL EDITION

### LAKELAND WEEKLY UPDATE.

This week at Lakeland students worked on the following core words: look, love, like, I, you, and color.

Our words of the week were up & down. Students used these words in their daily lessons, in morning meeting when they learned and practiced compliments, and when they greeted their friends.

Martin Luther King Jr. Day was celebrated on Monday throughout the school and on Tuesday thru Friday students made choices on their favorite items such as milk, vacation location, and bagel topping.

On Friday, the school had a lot of fun at the staff vs student basketball game. The staff made a good effort, but the students were the winners this round!

### CLASSROOM SHOWCASE.

This week we showcase Mrs. Vail's Middle School math class. Students this week are learning to make picture graphs based on student votes. In this lesson, students voted on whether they liked turkey or not. Each student was able to put their vote on the chart to see which had the most votes. Great job in math Middle School!

### BOWLING.

If your child is interested in bowling, head over to Delavan Lanes starting on January 24th from 4:00 to 6:00. For 10 weeks your child can join others in the special needs bowling league. It's \$10 per night. If you have any questions, please call 262-374-1838
