Walworth County Permitting Requirements

As part of its maintenance responsibility, Walworth County Public Works is responsible for controlling all activities in County-maintained roadways and rights of way. This includes construction on driveways that access County roads, culverts that facilitate County road drainage, utility work adjacent to or impacting County roads, as well as Oversize Loads, and Special Use requests.

Forms are accessible for download on the Walworth County Public Works website located at : <https://www.co.walworth.wi.us/336/Permits-Fees>

1. Print and complete the appropriate form
2. Determine the appropriate fees (see below)
3. Submit application and associated fees to :

Walworth County Public Works
Attention: Highway Permits
W4097 County Rd NN
Building B
Elkhorn, WI 53121

Or email permit to:
DPWgeneral@co.walworth.wi.us

Your application will be reviewed for compliance and you will be contacted either by phone or fax.
