

COVID-19 TRAVEL SAFETY

TIPS TO STAY SAFE AND HEALTHY WHEN TRAVELING THIS HOLIDAY SEASON

• Carry a small personal sanitizing kit with:

Hand Sanitizer

Disinfecting Wipes

Extra Masks

• Wear a mask in public

• Be aware of the **risk level of your destination**

• Wash your hands often

• When possible, **consider hosting celebrations on a different day**, week, or month to allow for travel during less popular times

• Practice social distancing

• Discuss your **expectations for gatherings** with family while celebrating the holidays. For example, “air high-fives,” or “air hugs.”

• **Drive your own vehicle**

If traveling by plane, train or bus, consider traveling during non-peak times when there will be fewer people

Know when to delay or cancel your travel. Do **NOT** travel if you:

- Are sick with fever, cough, or other symptoms of COVID-19
- Have recently tested positive for COVID-19
- Are waiting for results of a COVID-19 test
- Have had close contact in the past 14 days with a person who has tested positive or has symptoms of COVID-19
